Project : Plot 18, Plot BB.B03.018, Business Bay, Dubai

Subject : Letter of Award – Main Works

Dear Sir,

We refer to the various meetings, discussions and negotiations that have taken place between Sky Palaces Real Estate Development LLC (the **Employer**) and Khansaheb Civil Engineering LLC (the **Contractor**) regarding the completion of the building and finishes, including remedying any defects, (the **Works**) for the Plot 18 (Dorchester) project at Plot BB.B03.018, Business Bay, Dubai (the **Project**).

With this letter of award (the **Letter of Award**), the Employer appoints the Contractor under the terms and conditions of this Letter of Award (the **Terms and Conditions**).

A. Conditions of Appointment

1. This Letter of Award forms a binding agreement between the Employer and the Contractor (the **Parties**, and each a **Party**). The Letter of Award becomes effective on the date of signing of the Letter of Award by the Contractor (the **Effective Date**).
2. This Letter of Award constitutes the entire agreement between the Parties and there are no other representations, warranties, conditions or collateral agreements, express or implied, written or oral. This Letter of Award fully supersedes and replaces any previous agreements and/or understandings concerning the Works between the Parties except as stated herein.
3. The invalidity, illegality or unenforceability of any term, condition or stipulation of this Letter of Award shall not affect the validity of the remaining terms, conditions or stipulations of this Letter of Award or the validity of the Letter of Award itself.
4. The Parties shall enter into a long form agreement for the Works (the **Contract**) reflecting the principles of this Letter of Award. The Contract shall be a modified version of the Federation Internationale Des Ingenieurs – Conseils (FIDIC) Conditions of Contract for Construction (for building and engineering works designed by the Employer), first edition 1999 (the **Red Book**), as amended only by the Particular Conditions (to be agreed between the Parties). The Parties shall endeavour to execute the Contract within 30 days from the Commencement Date.

Sky Palaces Real Estate Development LLC
P.O. Box 12501, Dubai, U.A.E.

Sky Palaces Real Estate Development LLC

5. Unless and until the Contract is executed, the Letter of Award shall constitute a binding contract between the Parties for the Works.
6. The Employer's Representative under the Letter of Award and the Contract shall be Omniyat Concept Investments LLC or any such other person or entity as the Employer may nominate at its sole discretion from time to time. For the avoidance of doubt, the Employer's Representative is not a party to the Letter of Award or the Contract.
7. The following documents form part of this Letter of Award, in the order of priority as set out below:
 - a) This Letter of Award;
 - b) Schedule 1 – Heads of Terms;
 - c) Schedule 2 – Basis of Evaluating the Contract Price (including Appendices 1 to 2 therein);
 - d) Particular Conditions of Contract (to be agreed);
 - e) General Conditions of Contract;
 - f) Schedule 3 – Drawings and Specifications;
 - g) Schedule 4 – Estimated Contract Price;
 - h) Schedule 5 – Provisional Sum Packages;
 - i) Schedule 6 – Staff Resource Schedule and Rates; and
 - j) Schedule 7 – Key Personnel.

B. Contractor's Obligations

8. The Contractor shall execute the Works in accordance with the Schedules and according to the scope of works detailed within the documents forming part of this Letter of Award. The Contractor shall execute the Works in a safe and efficient manner, leaving the site safe at all times.
9. The Contractor shall at all times ensure that it and any person who performs any part of the Works is registered and licensed as required by all applicable laws and regulations in force in the United Arab Emirates, as applicable in the Emirate of Dubai (**Laws**) and any Authority to execute the Works including obtaining all permits, licenses and approvals as required by and in compliance with **Laws**.
10. The Contractor shall adhere to all regulations, project specific requests including inspections of works on site, from all relevant local authorities (**the Authorities**), obtain construction NOCs, and submit all necessary documentation requested as part of the Works under this Letter of Award.
11. In the performance of the Works, the Contractor shall ensure that it and its personnel, representatives and agents shall at all times observe and conform in all respects with the provisions of the Laws of the UAE, including any safety regulations and measures. The Contractor shall ensure that all materials used for or in relation to the Works under this Letter of Award are at all times compliant with the Contract.
12. The Contractor shall carry out all of the duties and Works agreed to be executed by it in accordance with the Standard of Care. For purposes of this Letter of Award, the "**Standard of Care**" shall mean as follows:

Sky Palaces Real Estate Development LLC
P.O. Box 12501, Dubai, U.A.E.

Sky Palaces Real Estate Development LLC

- a) the Contractor shall at all times comply with the terms of this Letter of Award and, where appropriate, within any applicable time limits shall fulfil its obligations under this Letter of Award;
- b) the Contractor has made the necessary commitment and possesses the necessary capacity, skilled personnel and expertise to execute the Works;
- c) the Contractor shall furnish at all times the same reasonable skill, judgment, due care and diligence in the execution of the Works as would be expected from a contractor of similar nature and experience, on a project of a similar type, size and complexity, and under similar circumstances and conditions to the Project;
- d) the Contractor shall perform or procure the execution of the Works in a manner as would be expected from a contractor of similar nature and experience, on a project of similar type, size and complexity, and under similar circumstances and conditions to the Project; and
- e) any and all subcontractors and subconsultants selected by the Contractor in connection with the Works shall have the necessary commitment, and possess the requisite capacity, skilled personnel and expertise to perform those parts of the Works that are at any time subcontracted to the subcontractor or subconsultant concerned.

C. Contract Price

- 13. The Estimated Contract Price for the Works is One Hundred and Ninety-Four Million, Nine Hundred and Fifty-One Thousand, Seven Hundred and Thirty-Five UAE Dirhams only (AED 194,951,735.00) (the **Estimated Contract Price**) as further defined in Schedule 4.
- 14. The actual Contract Price payable by the Employer to the Contractor for the Works however, shall be calculated on a Cost Reimbursable basis, plus a mark-up for Overheads and Profit (**OHP Fee**), in accordance with the process described in Schedule 2 – Basis of Evaluating the Contract Price.
- 15. The Contract Price is exclusive of any value added tax in the UAE (**VAT**). Any VAT applied to the value of the Works shall, on delivery of the VAT invoice, be added to the Contract Price. The Contractor shall assist and provide the Employer with all necessary information and documentation to claim back any such VAT applied.
- 16. The Contractor shall not be entitled to any additional payment over and above its entitlement to the Contract Price pursuant to paragraph 14 and calculated in accordance with the process described in Schedule 2 – Basis of Evaluating the Contract Price.

D. Provisional Sum Packages

- 17. Any works associated with the Provisional Sums (the **Provisional Sum Works**) shall only be executed by the Contractor upon receipt of written instructions from the Employer. For the avoidance of doubt, the Contractor is only entitled to receive the Provisional Sums if the Employer has issued written instructions to execute the Provisional Sum Works.
- 18. The proposed division of the Provisional Sum Works into multiple packages (the **Provisional Sum Packages**) included in Schedule 5 is indicative only. The Contractor acknowledges that the Provisional Sum Packages may be combined or broken down further to achieve the best commercial value for the Project.

Sky Palaces Real Estate Development LLC
P.O. Box 12501, Dubai - U.A.E.

Sky Palaces Real Estate Development LLC

19. The Contractor shall provide any resources required to tender/procure the Provisional Sum Packages in full cooperation with the Employer's Representative (as part of the Staff Cost).
20. The award of each Provisional Sum Package is subject to the Employer's written approval. The Contractor may propose to carry out directly (i.e. with its own labour, plant and materials) part of the Provisional Sum Works subject to the written approval of the Employer.
21. The Employer may omit, at any time, the full value of any Provisional Sum (or any parts thereof) from the scope of the Works by instruction of a Variation to that effect, provided that the omitted works are not to be carried out by the Employer and/or another contractor appointed on its behalf. The Contractor shall not be entitled to any loss of profit and/or any other compensation for such omission.

E. Separate Contractors

22. The Contractor acknowledges that separate contractors (directly engaged by the Employer) (**Separate Contractors**) may be present on and adjacent to the Site during the execution of the Works. The Contractor must:
 - a) co-operate with any Separate Contractors;
 - b) not unreasonably obstruct, delay or interfere with Separate Contractors' work;
 - c) not damage Separate Contractors' work;
 - d) comply with all reasonable written directions from the Employer's Representative regarding Separate Contractors and their work; and
 - e) allow any Separate Contractors to use the amenities, facilities and services which are available for use on the Site;
 - f) complete the Authority submissions for such Separate Contractors' works as part of any permit/inspection process.
23. The Contractor shall not be liable for the acts and omissions of Separate Contractors. If the Contractor believes that a Separate Contractor caused any damage or delay to the Works, it shall notify the Employer within 2 working days of becoming aware of such damage or delay, with sufficient supporting particulars.
24. Separate Contractors shall include the following:
 - a) fitout contractor for the serviced apartments [Bond Interiors];
 - b) fitout contractor for the restaurants at levels 17 and 29; and
 - c) suppliers and/or contractors for the supply and installation of FFE and/or OSE to the Project.
25. The Contractor will be entitled to reimbursement of all Costs associated with complying with paragraph 22, plus overheads and profit on such Costs in accordance with Schedule 2, but will not otherwise be entitled to any overheads and profit mark-up on the value of any works carried out by Separate Contractors.

F. Performance Security

26. As specified in Schedule 1 – Heads of Terms, the Contractor is not required to provide any form of performance security to the Employer in connection with the Works.

Sky Palaces Real Estate Development LLC
P.O. Box 12501, Dubai, U.A.E.

Sky Palaces Real Estate Development LLC

27. The Contractor shall procure that all performance security with respect to Provisional Sum subcontractors or suppliers (in whatever form but to include, for the avoidance of doubt, Performance Bonds, Advance Payment Guarantees, cheques, retentions, etc.) shall be directly for the benefit of the Employer and/or the Escrow Bank (as the case may be).

G. Payment Procedure

28. The Employer has opened an escrow account for the Project (the **Escrow Account**) with a bank located in the United Arab Emirates (the **Escrow Bank**). All payments of the Contract Price shall be made from the Escrow Account and in accordance with the process of the Escrow Bank and the applicable Laws. The Employer further confirms and agrees that the mechanism for payment is via the Escrow Account, and the Employer is not relieved from its liability to pay all sums that are due and owing to the Contractor in the event the Escrow Account has a nil balance.
29. The payment procedure for the Works shall be as follows:
- a) The Contractor shall submit an Interim Payment Application (IPA) in accordance with Schedule 1 – Heads of Terms and Schedule 2 – Basis of Evaluating the Contract Price on the 5th day of each month, for works carried out up to the end of the previous month.
 - b) The Employer's Representative shall issue an Interim Payment Certificate (IPC) for the approved amount within 15 days of issuance of the IPA.
 - c) Within 15 days of issuance of the IPC by the Employer's Representative, the Employer shall release payment from the Escrow Account.
30. A Mobilisation Payment of AED 6,000,000.00 shall be paid within 14 days of the Commencement Date. The Mobilisation Payment shall be recovered from subsequent payments due to the Contractor in accordance with Schedule 1 – Heads of Terms.
31. With respect to the Works (excluding Provisional Sum Packages that will be appointed on 'back-to-back' payment terms), the Employer shall ensure that the Contractor remains in a net cash positive position throughout the duration of the Project. To achieve this, the Employer shall make sufficient payments on-account, as and when required, in addition to mobilisation payment(s). These may be applied for on an 'ad hoc' basis outside of the procedure for payments described in paragraph 29 and at a sufficiently advanced stage to allow time for certification and payment prior to the Contractor going into a net cash negative position.
32. A net cash negative position is the point at which the total of the Contractor's cash expenditure and accrued liabilities relating to the Works (excluding Provisional Sum Works) exceed the amount of payment that has been received from the Employer.
33. The Employer will release the first on-account payment of AED 6,000,000.00 to the Contractor within 60 days of the Commencement Date.
34. Any advance payments to subcontractors for Provisional Sum Works shall be made by the Employer following the issue of adequate advance payment security by the relevant subcontractors.
35. Each IPC will be paid as follows:

Sky Palaces Real Estate Development LLC
P.O. Box 12501, Dubai, U.A.E.

Sky Palaces Real Estate Development LLC

- a) one hundred percent (100%) of the certified amount, excluding Provisional Sum Works and MEP Works, will be released from the Escrow Account as a progress payment;
 - b) ninety percent (90%) of the certified amount against Provisional Sums Works and MEP Works (subject to compliance with paragraph 31) will be released from the Escrow Account as a progress payment; and
 - c) ten percent (10%) of the certified amount against the Provisional Sums Works and MEP Works shall be withheld as cash retention (the **Retention**).
36. The Employer shall release fifty percent (50%) of the Retention held within 14 days of issuance of the Taking-Over Certificate under the Contract. The remaining fifty percent (50%) of the Retention shall be released within 14 days of issuance of the Performance Certificate under the Contract.
37. The Contractor shall make submissions of documentation to the necessary Authorities for gaining all required approvals and permits, including the provision of temporary and permanent services for the Works (as far as permitted by the relevant Authority). Any payments for any Authorities' approvals and fees for permanent utilities and services shall be directly borne by the Employer.

H. Insurance

38. The Employer shall procure and maintain sufficient project specific Contractor's All Risk (**CAR**) and Third-Party Liability (**TPL**) insurance for the Project with a reputable insurance provider. The CAR insurance shall name the Employer, the Employer's Representative, the Contractor, subcontractors and the Project financier as co-insured.
39. The Contractor shall maintain workers compensation and any other insurance required by Law at the minimum levels required by the applicable Laws.

I. Programme

40. The commencement date shall be the date of this Letter of Award (the **Commencement Date**).
41. The completion date for the Works shall be 320 days from the Commencement Date (the **Completion Date**), subject to the amended Building Permit being issued in the Contractor's name within 14 days of the Commencement Date.
42. The defects notification period under the Contract shall be 365 days from the date of the Taking-Over Certificate under the Contract.
43. All days are calendar days.
44. The Contractor shall, within 28 days of the Commencement Date, provide a detailed programme for the execution of the Works (the **Project Programme**) to the Employer for its approval. The Contractor shall endeavor to ensure that the Project Programme shows the Contractor achieving Completion by the Completion Date.
45. Subject to Authorities' approvals, the Contractor shall be permitted to work 24 hours per day, 7 days per week.

Sky Palaces Real Estate Development LLC
P.O. Box 12501, Dubai, U.A.E.

Sky Palaces Real Estate Development LLC

46. Completion is that stage in the execution of the Work under the Contract when:

- a) the Works are complete except for minor omissions and minor defects;
- b) the Employer's Representative, acting reasonably, is satisfied that:
 - i) those omissions and defects do not prevent the Works and the Site from being used for their intended purpose;
 - ii) those omissions and defects do not cause any legal or practical restrictions on the use or the occupation of the Works; and
 - iii) the Contractor has reasonable grounds for not promptly rectifying those omissions and defects;
- c) all commissioning and testing required under the Contract has been substantially and successfully performed including all keys, electronic access mechanisms and security coding handed to the Employer's Representative;
- d) any other certificate or approval, which must be issued or given by an Authority to lawfully occupy or use the Works has been issued or given by that Authority and provided to the Employer's Representative including without limitation a Building Completion Certificate issued by the relevant Authority;
- e) the provision of training of maintenance personnel nominated by the Employer is sufficient to enable opening and operation of the Works;
- f) the Site has been cleaned and all debris removed;
- g) where such information is included within a Provisional Sum Package, all information and materials required under the Contract and the Design Documentation have been supplied to the Employer's Representative including:
 - i) electronic copies of all as-built drawings and related documents, all specifications and drawings prepared by or on behalf of the Contractor;
 - ii) test results;
 - iii) operation and maintenance manuals complete in sufficient detail that the Employer can operate and maintain the Project, including all key plant and equipment; and
 - iv) the warranties specified in the Specifications, and other types of warranties provided by suppliers, manufacturers and subcontractors for work similar to the Works in accordance with standard market practice.

J. Key Personnel

47. The Contractor must:

- a) provide experienced and skilled personnel to execute the Works; and
- b) ensure that all Works are executed under the supervision of appropriately qualified and experienced personnel (the **Key Personnel**) as per the attached list included in Schedule 7.

48. The Contractor shall submit the proposed Key Personnel (and any replacement thereof) to the Employer's Representative for approval. The Contractor shall ensure that no Key Personnel are removed from any position without having a suitable replacement approved by the Employer.

49. If a Key Personnel or any other person engaged in the Works has engaged in misconduct or is incompetent or negligent or is otherwise interfering with the orderly progress of the Works, the

Sky Palaces Real Estate Development LLC

Contractor shall, on request of the Employer, immediately remove such person from the Works and the Project.

K. Early Termination

50. The Employer may terminate this Letter of Award:

- a) immediately if the Contractor commits a breach of this Letter of Award that is not remedied within fourteen (14) days of written notice requiring the Contractor to remedy its breach;
- b) immediately if the Contractor is unable to pay its debts or being otherwise insolvent; or
- c) on twenty-eight (28) days prior written notice.

51. In case of termination under paragraph 50(c) of this Letter of Award, the Contractor is entitled to receive any costs it has actually, directly and reasonably incurred for the Works up to the date of termination and its demobilisation costs (excluding demobilisation/repatriation of staff and/or labour), plus a mark-up for overheads and profit of 12.5%. The Contractor is not entitled to any loss of profit. The valuation of the Works described in this paragraph 51 shall be calculated in accordance with Schedule 1 – Heads of Terms and Schedule 2 – Basis of Evaluating the Contract Price. The Contractor will also be reimbursed for any costs that it will incur beyond the date of termination plus a mark-up for overheads and profit of 12.5% relating to any of the Contractor's ongoing liabilities for undelivered materials, plant and/or equipment orders that were committed to prior to the date of termination. The Contractor shall ensure that all such undelivered materials, plant and/or equipment are delivered to the Employer as soon as practicable after the date of termination.

52. In case of termination of this Letter of Award, the Contractor must do all things reasonably required to enable the Employer to change the contractor on record with the Authorities.

53. The Parties acknowledge and agree that with accepting this Letter of Award, they consent to the other Party's entitlement to terminate this Letter of Award pursuant to this paragraph in accordance with the meaning of consent and mutual consent as contemplated under Articles 267, 268 and 892 of the Federal Civil Transaction Law No. 5 of 1985 (the **Civil Code**) without the need to obtain a court order in accordance with Article 271 of the Civil Code.

54. On termination of this Letter of Award for any reason, the Contractor shall without delay:

- a) return to the Employer or dispose of as directed by the Employer any equipment, materials and other things supplied or paid for by the Employer for the purpose of carrying out the Works; and
- b) deliver to the Employer all information, data, drawings and documents being the property of the Employer or otherwise relating to the Employer or the Project unless otherwise agreed by the Employer in writing.

55. In addition to the foregoing, the Contractor may suspend the Works (or reduce the rate thereof):

- a) If the Employer's Representative fails to issue an IPC that reflects the value of Works completed by the Contractor in accordance with Schedule 1 – Heads of Terms and Schedule 2 – Basis of Evaluating the Contract Price, within 15 days of expiry of the 15 day period stipulated under paragraph 29(b) of this Letter of Award; or

Sky Palaces Real Estate Development LLC

- b) If the Employer fails to release payment to the Contractor within 15 days of the due date for the payment stipulated under paragraph 29(c) of this Letter of Award; or
 - c) If the Employer fails to release the on-account payment stipulated under paragraph 33 within 15 days of the due date noted therein,
- in each case, subject to the Contractor providing 5 days prior written notice.

L. Indemnity

- 56. The Contractor shall indemnify the Employer against all reasonable damage to or loss of any property, real or personal (other than the Works), or bodily injury, sickness, disease or death, of any personnel, to the extent that such damage or loss is attributable to any gross negligence, wilful act or breach of this Letter of Award by the Contractor, its personnel, representatives or agents.
- 57. The approval of the Employer, or any relevant Authority, on any matter related to the Works shall not in any way absolve or release the Contractor from any such obligation, responsibility or liability under this Letter of Award and/or the Laws in force from the time of this Letter of Award.
- 58. The Employer acknowledges that the Contractor has taken over existing works executed by a previous contractor (the **Previous Contract Works**). The Previous Contract Works will be documented by the Employer and provided to the Contractor for joint review and acceptance.
- 59. The Contractor shall not be liable for the Previous Contract Works and/or any structural integrity issues and/or any defects (latent, patent or otherwise) therein save to the extent that such issues and/or defects are found to have been caused by the Works completed by the Contractor.
- 60. The Contractor will not provide any warranties or guarantees in respect of the Previous Contract Works. Where the scope of a Provisional Sum Package includes the provision of warranties or guarantees with respect to the Previous Contract Works, the Contractor shall procure the described warranties or guarantees from the relevant subcontract for the benefit of the Employer.
- 61. The Contractor shall not be liable for any payments due to consultants, subcontractors, suppliers or any other parties or entities in respect of and/or in relation to the Previous Contract Works.
- 62. The Contractor has agreed under the terms of this Letter of Award, to transfer the current Building Permit for the Project into the Contractor's name.
- 63. The Employer shall provide the Contractor with all documentation necessary to enable the Building Permit to be transferred and the Employer shall remain responsible for providing all documents and information relating to the Previous Contract Works required to obtain the final Building Completion Certificate.
- 64. Notwithstanding the above, the Employer shall remain responsible and liable for all permanent and temporary works carried out by other contractors under the original Building Permit and/or in relation to the Previous Contract Works, and shall continue to be responsible for any such works carried out by other contractors from the date that the Building Permit is transferred into the name of the Contractor. The Contractor shall have no liability to the Employer for the work executed by

Sky Palaces Real Estate Development LLC
P.O. Box 12501, Dubai, U.A.E.

Sky Palaces Real Estate Development LLC

other contractors including, but not limited to, the Previous Contract Works, nor any liability arising out of or in connection with such work.

65. The Employer agrees to indemnify and hold harmless the Contractor, its successors and assigns, their respective directors, officers, shareholders, employees, and each of them, as the case may be, against any liabilities, obligations, losses, damages, penalties, costs, expenses or disbursements, which they or any of them may incur or be subject to in connection with any permanent or temporary works carried out by other contractors that are in direct contract with the Employer (regardless of who was named on the Building Permit at the time the work was carried out or the damages occurred) and/or in consequence of issues arising due to and/or as a result of the Previous Contract Works.
66. Neither Party shall be liable to the other Party for loss of use of any Works, loss of profit, loss of any contract or for any indirect or consequential loss or damage which may be suffered by the other Party in connection with the Letter of Award, other than under Section K (Early Termination) and Section L (Indemnity) above. The total liability of the Contractor to the Employer, under or in connection with this Letter of Award, shall not exceed 30% of the Contract Price. This paragraph 66 shall not limit liability in any case of fraud, deliberate default or reckless misconduct by the defaulting party.

M. Decennial Liability

67. The Employer agrees to indemnify and hold harmless the Contractor, its successors and assigns, their respective directors, officers, shareholders, employees, and each of them, as the case may be, against any liabilities, obligations, losses, damages, penalties, costs expenses or disbursements, which they or any of them may incur or be subject to in consequence of any structural issues arising in relation to the Previous Contract Works as completed by Roberts Constructions LLC and/or Pizzarotti S.A. (Dubai Branch) (the **Previous Contractor**) pursuant to the contract dated 10 April 2019 (the **Previous Contract**).
68. It is recognized that pursuant to Article 882 of the Civil Code it is not possible for the Contractor to contract out of decennial liability. However, this indemnity (at paragraph 67) expressly recognizes that such liability will be restricted to the Works carried out pursuant to this Letter of Award and from the Commencement Date (but such restriction shall not extend to structural issues and/or defects in the Previous Contract Works that are found to have been caused by the Works). The Contractor shall remain fully liable for the construction (but not design, which is not included in the scope of works instructed under this Letter of Award) of any structural works arising from this Letter of Award.
69. This indemnity (at paragraph 67) shall survive the termination of this Letter of Award in whole or part. This indemnity (at paragraph 67) shall be governed by, and construed in accordance with, the relevant Laws and dispute resolution procedures contained in this Letter of Award.

N. Confidentiality

70. All matters relating to the Project and the Letter of Award are to be treated as confidential by the Parties.

Sky Palaces Real Estate Development LLC
P.O. Box 12501, Dubai, U.A.E.

Sky Palaces Real Estate Development LLC

O. Assignment

71. The Employer may assign this Letter of Award and its rights and obligations hereunder with the prior written approval of the Contractor (not to be unreasonably withheld or denied).
72. The Contractor shall not assign or transfer this Letter of Award (or any part thereof), except with the prior written approval of the Employer.

P. Branding

73. The Contractor shall not be entitled to install or display its name, brand, signage or other marketing materials on the Project with the exception of the Project sign board as required by the Authorities, unless written approval has been provided by the Employer's Representative, which shall not be unreasonably withheld.

Q. Governing Laws

74. This Letter of Award shall be governed by and construed in accordance with the Laws (namely the laws in force in the United Arab Emirates as applicable in the Emirate of Dubai).

R. Dispute Resolution

75. Any dispute, controversy or claim arising out of, relating to or in connection with this Letter of Award, including any question regarding its existence, validity or termination (**Dispute**), shall be resolved in accordance with this paragraph:
 - a) In the event of a Dispute, the Party alleging the Dispute shall provide written notice to the other party giving particulars of the Dispute (the **Notice of Dispute**).
 - b) Within 30 days of receipt of the Notice of Dispute, the Parties shall attempt to hold a meeting in an effort to resolve the Dispute.
 - c) If the Dispute is not resolved, irrespective of whether a meeting was held, the Dispute shall, within 60 days of the Notice of Dispute, be referred to a Dispute Adjudication Board (**DAB**) (the administering institution of such to be agreed by the Parties within the 60 day period referred herein) which shall consist of three (3) persons. The language of the Adjudication shall be English.
 - d) If either Party is dissatisfied with the DAB's decision, then either Party may notify the other Party of its dissatisfaction and the Parties shall meet to settle the Dispute amicably.
 - e) If the Dispute is not settled amicably, the Dispute shall, within 60 days of the Notice of Dissatisfaction, be referred to arbitration in accordance with the Dubai International Arbitration Centre (DIAC) Rules 2007.
 - f) The seat of the arbitration shall be Dubai.
 - g) The language of the arbitration shall be English.
 - h) The number of arbitrators shall be three (3), one arbitrator nominated by each Party and the third, acting as chairman, nominated by the two appointed arbitrators.

10	Payment	<p>The Contractor shall submit an Interim Payment Application (IPA) on the 5th of each month for work carried out up to the end of the previous month (allowing 5 days for compilation of costs) all as described in Schedule 2 - Basis of Evaluating the Contract Price. For the purposes of the application "Costs" shall include all liabilities, provisions, advances and the like for work carried out and/or materials on/off site.</p> <p>The Employer's Representative shall issue an Interim Payment Certificate (IPC) for the approved amount within 15 days of the IPA. The Mobilisation Payment will not be recovered monthly, however a detailed reconciliation exercise will take place so that an appropriate recovery schedule can be agreed between the Employer and Contractor that reflects the remaining value of works being carried out and the corresponding amount of advance that is required by the Contractor to maintain a positive cash flow.</p> <p>The Employer shall release payment within 15 days of the IPC</p>
11	Suspension for Non-Payment	If the Employer fails to issue the IPC or Payment within 15 days of the due dates the Contractor may suspend the works, subject to the provision of written notice pursuant to paragraph 55 of the Letter of Award.
12	Retention	Retention only applies to MEP Works and Provisional Sum Package Subcontractors where 10% of the gross amounts certified shall be withheld from monthly payments with 50% released upon issue of TOC and the remaining 50% released upon expiry of the Defects Notification Period.
13	Bonds	Not applicable, unless being provided by Provisional Sum Package Subcontractors in the name of the Employer (in line with the terms agreed between the Employer and each Provisional Sum Package Subcontractor)
14	Insurances	The Employer shall arrange adequate Contractor's All Risk & Third Party insurances including sufficient cover for the previous works carried out by others prior to the Contractor's appointment.
15	Design	Responsibility for design remains with the Employer
16	Procurement of Provisional Sum Packages	Responsibility for the procurement of Provisional Sum Subcontract / Supply Packages will remain with the Employer, however the Contractor will provide all necessary assistance throughout this process. The Contractor shall promptly enter into contract with selected Provisional Sum Subcontractors/Suppliers upon receipt of such instructions from the Employer. The responsibility for the performance of the Provisional Sum Package Subcontractors / Suppliers also lies with the Employer, however the Contractor will manage/administer these Provisional Sum Package Subcontractors / Suppliers through to completion of the project in line with the obligations of their Subcontract / Supply Agreements.
17	Strategy for Procurement of Provisional Sum Package Subcontractors / Suppliers	The appointment of Provisional Sum Package Subcontractors / Suppliers will be instructed by the Employer for award by the Contractor based on an agreed "remaining" scope of works and an appropriate corresponding value, including the remedying of any defective works.
18	Separate Contractors	The Contractor is not responsible for Separate Contractors other than providing support and attendances on a cost plus basis.
19	Conditions of Contract	Form of contract including General and Particular conditions shall be the FIDIC Conditions of Contract for Construction for Building and Engineering Works designed by the Employer, First Edition 1999 as amended by Particular Conditions to be agreed between the Employer and Contractor.

SCHEDULE 2

BASIS OF EVALUATING THE CONTRACT PRICE

DORCHESTER HOTEL & RESIDENCES**SCHEDULE 2 - BASIS OF EVALUATING THE CONTRACT PRICE**

Comprising:

Basis of Evaluating the Contract Price

Appendix 1 - Summary of 'Types' & 'Examples' of Reimbursable Costs and Relevant Supporting Documents

Appendix 2 - Summary of General Preliminaries Items

SCHEDULE 2 - BASIS OF EVALUATING THE CONTRACT PRICE

The Estimated Contract Price specified in the LOA represents the budget/estimate for the completion of the project and is subject to adjustment based on the process described below:

Item	Element	Description/Examples	Method of Valuation
1	Staff	Any and all KCE and externally hired staff allocated to the project.	KCE staff fully reimbursed based on weekly returns of staff deployed / allocated on the project and valued at the agreed rates scheduled in Schedule 6. Externally hired Staff fully reimbursed based on an actual Cost
2	General Preliminaries	Any and all General Preliminaries items examples of which are listed in Appendix 2.	The Contractor's General Preliminaries will be fully reimbursable on an actual Cost basis in line with the Contractor's standard accounting principles and practices (as summarised in Appendix 1)
3	Direct Works	Any and all temporary or permanent works (including remedial works) undertaken or arranged by the Contractor, including by domestic subcontractors.	Any expenses incurred by the Contractor in carrying out Direct Works will be fully reimbursable on an actual Cost basis in line with the Contractor's standard accounting principles and practices (as summarised in Appendix 1)
4	Provisional Sum Packages - Subcontracts / Supply Agreements	Any and all works associated with Provisional Sum Package Subcontracts / Supply Agreements (as listed in Schedule 5)	Fully reimbursed based on an agreed Subcontract / Supplier Package value, plus the Cost of any variations issued or the like i.e. the total of the actual payments made by the Contractor to the Provisional Sum Package Subcontractors / Suppliers
5	MEP Works including all Testing & Commissioning Works	Any and all permanent MEP works (including remedial works, extended warranties etc.) undertaken or arranged by the MEP Subcontractor, including their own domestic or labour only subcontractors and Provisional Sum Package MEP Subcontractors / Suppliers (as listed in Schedule 5). This also includes any temporary works required (including installation and maintenance of electrical distribution during the works). Any and all Testing & Commissioning works, including the associated provision of water (and disposal), power, materials, specialist attendances, consultancy services etc.	KCE's MEP Division will be appointed to manage and deliver the MEP works and all Testing & Commissioning Works and any expenses incurred will be fully reimbursable on an actual Cost basis, plus their own 'mark-up' of 12.5% for OH&P (which will also be applied to Provisional Sum Package MEP Subcontracts / Supply Agreements). The elements and types of reimbursable costs (e.g. MEP staff, MEP general preliminaries, MEP direct works, MEP Subcontractors etc.) and the method of valuation all to be in line with the same terms agreed between the Employer and Contractor within these appendices.
6	BWIC and Attendances on Domestic / Provisional Sum Packages, Separate Contractors & MEP Works	Any and all BWIC, attendances (general or special) or support of any kind provided to Domestic Subcontractors, Provisional Sum Subcontractors / Suppliers, Separate Contractors and the MEP Subcontractor	Any expenses incurred by the Contractor in carrying out BWIC and Attendances for Domestic Subcontractors, Provisional Sum Subcontractors / Suppliers, Separate Contractors and the MEP Subcontractor will be fully reimbursable on an actual Cost basis in line with the Contractor's standard accounting principles and practices (as summarised in Appendix 1)
7	Other Works Costs	Any other cost not included above but necessarily incurred by the Contractor in the proper performance of the works, excluding "Disallowed Costs"	Any expenses incurred by the Contractor in carrying out Other Works will be fully reimbursable on an actual Cost basis in line with the Contractor's standard accounting principles and practices (as summarised in Appendix 1)
8	Overhead & Profit (OH&P)		The Contractor's OH&P percentage of 12.5% will be applied to all costs and expenses incurred relating to Items 1-4 and 6-7. A reduced Contractor's OH&P percentage of 10% will be applied to all costs and expenses associated with Item 5 (MEP Works including all Testing & Commissioning Works), which is in addition to KCE MEP Division's own 12.5% OH&P "mark up" on these works.

Notes:

Staff costs will be allocated to the Project and reimbursed in full during any periods of leave, sickness or attendance at off site training/meetings to the extent that is reasonable and to be typically expected.

All travel costs are to be calculated up to the issue of the Performance Certificate.

All other elements reimbursed on an actual Cost basis will include all costs incurred up to the issue of the Performance Certificate.

The Contractor will be entitled to recovery of any costs incurred in attending to any defects that arise beyond the Defects Notification Period (that were unknown at the time of the issue of the Performance Certificate) which fall outside any warranties provided.

All Project related Costs beyond the planned/agreed programme will continue to be paid regardless of the cause or reason for delay.

Disallowed Costs are costs incurred due to gross negligence, fraud, deliberate default or reckless misconduct on the part of the Contractor.

The above (including Appendix 1) also provides the basis for calculating interim payments.

"Domestic Subcontractors" are all subcontractors not included in the list of Provisional Sum Subcontract Packages in Schedule 5 (excl. Labour Only subcontractors).

All variations will also be valued in line with Schedule 2 - Basis of Evaluating the Contract Price.

SUMMARY OF 'TYPES' & 'EXAMPLES' OF REIMBURSABLE COSTS AND RELEVANT SUPPORTING DOCUMENTS

The "Cost" of the works shall include all items that are allocated to the project by the Contractor as summarised in the table below:

Types of "Costs"	Typical Examples	Supporting Documents and Information
KCE Labour	Cost of all Labour directly employed by KCE which includes basic pay, OT pay, monthly accrual of standard employee benefits (such as accommodation, training, food, air fare etc.) and all other costs of employing workers in the UAE.	Daily attendance reports; monthly hours report; monthly/cumulative cost report
Subcontract Labour	Cost of any externally sourced labour on 'daily hire' engaged to supplement KCE's directly employed resources.	Daily attendance reports; monthly hours report; subcontract payment certificates; monthly/cumulative cost report
Materials	Cost of any materials (including sundry materials and general consumables) purchased for the works - including the cost of transportation/delivery, storage etc. as applicable	LPO's (where applicable); goods received notes (where applicable); invoices; monthly accrual summary (where applicable); monthly/cumulative cost report
Stock Materials	Cost of any materials sourced from KCE's Central Store or Internal Plant & Transport Department (& other projects via internal cost transfer) e.g. wood products, all fuel, PPE, consumables etc. - including the cost of transportation/delivery.	Log of internal transactions (where applicable); signed cost transfers (where applicable); monthly/cumulative cost report
Internal Plant Hire (from KCE Plant & Transport)	Cost (including mobilisation, demobilisation, transportation, installation/erection as applicable) of any internally hired plant, equipment, transport, offices, storage/welfare units, safety equipment, small tools, machinery or the like - in line with KCE's Internal Plant Hire Policies.	Plant hire daily report; monthly hire summary; monthly/cumulative cost report
External Plant Hire	Cost (including mobilisation, demobilisation, transportation, installation/erection as applicable) of any externally hired plant, equipment, transport, offices, storage/welfare units, safety equipment, small tools, machinery or the like. NB: All subject to addition of KCE's Plant Hire Division's 10% administration and arrangement fee	LPO's (where applicable); invoices; plant hire daily report; monthly hire summary; monthly/cumulative cost report
Internal KCE Subcontractor Costs	Cost of employing KCE's Internal Subcontractors	Assessment of subcontractors latest interim application; subcontractor's previous payment certificate; monthly/cumulative accruals and cost report
External Subcontractor Costs	Cost of employing External Subcontractors	Assessment of subcontractors latest interim application; subcontractor's previous payment certificate; monthly/cumulative accruals and cost report
General Expenses & Site Overheads	Cost of general expenses and site overheads e.g. preliminaries items, duties, taxes, authority charges, fees, utility bills, sundry purchases and any other miscellaneous costs, charges and expenses.	Monthly/cumulative cost report with supporting backup similar to the above depending on nature of expenditure
KCE Staff Costs	Based on agreed Schedule of Weekly Rates - see Schedule 6	
Externally Hired Staff	Cost of employing staff from external agencies or staff temporarily seconded from other companies	LPO's; invoices; weekly returns of staff; monthly/cumulative cost report

NB: The above table provide typical examples of the types of Costs that will be incurred (and are therefore fully reimbursable) and is not intended to be exhaustive.

NB: The above "Supporting Documents and information" provide an indicative summary of the type of supporting information that will be provided within each Interim Payment Application. These will be supported by further detailed information and backup as and when reasonably required.
